1. VETTING PROCESS

The Sensory Pod Co will only ever employ the most skilled workers in the industry to complete their projects. All our workers are fully Garda vetted and go through the Tusla vetting process.

2. WARRANTY

Understanding that sensory rooms are such a large investment for schools The Sensory Pod offer a 3 year service warranty on all rooms purchased through their company.

BEST SERVICE

Many companies claim to be experts in the field, In many cases we have seen schools over charged and experience very poor customer service levels when something goes wrong. The Sensory Pod cuts out all this messing and manages your project from day one when we begin the initial drawings for your new room.

3. CLEANER THAN WE FOUND IT

We hire the services of a professional cleaning company to come in on the day of sign off, they will ensure that the space is pristine prior to handover.
